

BUSINESS APPRENTICESHIP

Your pathway to a business career in downtown Chicago

What is a Business Apprenticeship?

2-year learn-and-earn program where you become familiar with business processes and integrate yourself into the culture of your sponsoring company to become the most flexible and well-rounded employee.

What happens during these 2 years?

- Explore the work in different departments of your sponsoring company 3 days a week
- Gain a free college education at our partner college Harold Washington in downtown Chicago 2 days a week, paid for by your sponsoring company
- Discover your interest and passion for careers in different business fields

What are your benefits?

- Get paid while you train at your sponsoring company and earn a debt-free Associate Degree in Management and Marketing
- Combine the theoretical knowledge from college with on-the-job training, setting you apart from the competition
- Gain experience by working in a variety of departments and broaden your knowledge of the overall business
- Obtain an international apprenticeship certificate as well as credentials from the US Department of Labor
- Secure a full-time position for a min. 2 years, after successful program completion

What type of skills make a Business Apprentice successful?

- Strong communication and social skills
- Problem-solving, decision making and prioritizing skills
- Detail-oriented and organizational skills
